TRI STAR CONCRETE PRODUCTS FACTORY L.L.C

Concrete Products Catalogue

COMPANY PROFILE

Tri star concrete products factory is one of the leading manufacturer of precast concrete products in the UAE. It strives on the adaptation towards the market, supplying to the clients the utmost quality and service, Producing a wide variety of paving, roofing tiles, cable cover tiles, route markers etc. using state of the art machinery.

Our production line consists of two manufacturing plants situated in Dubai and Abu Dhabi, established and thriving for more than 3 decades. The machinery used are prime plants from Europe, gathered to accompany demands of the ever growing infrastructure.

The company placed its seed in the UAE and sunk its roots in the development of its infrastructure and worked on projects like Atlantis, Dubai mall, Emirates towers, Al Falah Abu Dhabi and Yas islands.

QUALITY POLICY

We at Tri Star concrete products factory strive to offer the highest quality to our customers and achieve the highest customer satisfaction and always be the first choice for products. Our quality in line is assured by ISO 9001:2008, ISO 14001:2004 and OHSAS 18001:2007 standard.

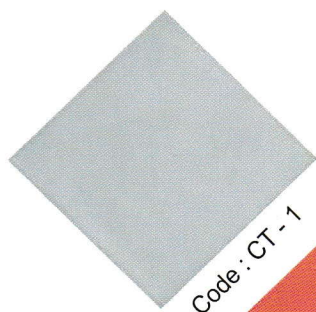

Quality objectives:

- Continuous verification and validation of production techniques.
- Continuous implementation of the newest and most efficient technologies in our field.
- Continuous research to improve our technology.
- Conduct internal and external audits and management reviews to ensure the ongoing quality Improvement.
- Maintain occupational health and safety.
- Ensure appropriate employee training, as our employees are the company's backbone.
